

WIN Enrichment Project

Presentation Requirements

Brief introduction

What is your project about?

Why did you want to do THIS project?

Research

What did you have to learn in order to complete this project?

What new information or skills have you gained because of this learning opportunity?

Process

Share pictures and images to show what you did during this time period...

Results

What is the end result of your project?

What would you do differently if you were to do this again?

What would you like to do next? Extension of this project or something new?

- If extending the project, what are your next steps?
- If something new, what are you thinking for your next steps?
